## Uninsured Individuals

### 2021 Sliding Fee Scale Discount Program

Central Minnesota Mental Health Center (CMMHC) offers sliding fee for eligible services. With sliding fee, CMMHC can offer discounted rates for people who are uninsured. CMMHC is committed to assisting you in applying for insurance coverage. Our Care Navigator team can provide you with information to contact our local MNsure Navigators/Agencies.

Our sliding fee is a discount offered by CMMHC based on household size and annual income. This discount applies to all eligible CCBHC services received at any CMMHC site.

Sliding fee cannot be used for medical assistance co-pays, deductibles, or spend downs. These are contractual obligations with your insurance company. Our staff are here to work with you to make a payment plan if needed.

To apply for the sliding fee:

- Care Navigators will request, gather, copy and forward to our Billing Office the required information for the Sliding Fee Application (including income verification). The Billing Office will review the information and contact the applicant with questions and results.
- Uninsured applicants must be willing to apply for insurance through MNsure. Applicants eligible for a Minnesota Healthcare Program and who decline those programs are not eligible for sliding fee programs.
